There is no place like home! When families of sick or injured children need a place to rest, the Ronald McDonald House is glad to be just that for families like Emily's (featured below).

When Emily began to experience digestive problems, her doctor sent her to a Pensacola hospital for testing. During her week-long stay in the hospital, her parents were able to find respite at the Ronald McDonald House. They used our laundry facilities, had access to our computers and were able to relax in our cozy living room. On many nights, Emily's parents were provided with delicious, warm meals thanks to our generous donors. Upon leaving they said, "Having access to these services made our time away from home bearable."

You can help our families throughout the year by donating to our Share-A-Night program. Families who stay at the House are asked to contribute a \$7.50 nightly donation. The actual nightly cost to provide one room is \$34 and it costs \$824 a day to keep the House open. Many of our families are unable to afford this nominal fee, but no family is ever turned away because of an inability to pay. You can help by sponsoring a family's stay and ensuring that our doors will always remain open to families in need. Please share a night with a family for \$7.50, a week for \$52.50 or a month for \$225.

Spread the cost! To pay monthly for your \$225 sponsorship of a family's one month stay, please call the House with your credit card number and we will bill you in monthly increments of \$18.75.

The Ronald McDonald House is located at 5154 Bayou Blvd., Pensacola, FL 32503.
